

Hill Street Youth and Community Centre is recruiting more trustees to join its successful and dynamic Board.

During the first quarter of 2022, the Charity has secured full ownership of the Centre, celebrated a 10year anniversary, gained planning permission for a new Youth Hub with building work expected later this year, and begun a significant expansion in commissioning and providing services for the community of Rugby.

The Charity has made huge strides since taking over the services and centre from the Council in 2011 and is now recognised as one of the leading support service providers in the county for both the adult and young person communities. Financially sound, the Charity frequently welcomes over fifty-five user groups into the Centre to use the facilities.

We are now looking for trustees to join the Centre, help oversee our exciting new expansion and help develop our services over the next few years.

If you have experience in community engagement, mentoring young people, IT, and data systems, legal or HR skills, or just have a few hours free on a regular basis to help with governance and oversight of the Centre, then this could be the opportunity for you.

We are looking for people with lived experience in community development, HR, Legal and other governance skills and able to attend, at a minimum, a monthly 2-hour trustees board meeting in Rugby and support our growing team of staff.
